

As the year draws to a close, we look back and reflect. Despite the heartbreaking and increasingly challenging situation, we remain driven by our unwavering commitment to improve people's lives. With every success in every intervention, we keep on laying the groundwork for sustainable and long-lasting impact.

IRSHAD brings better market opportunities to apple farmers

Actively engaged with key actors of the value chain, we continue linking apple growers to local and regional markets. We connected farmers to Egyptian buyers, securing them more favorable and better organized sales conditions.

GNFF nurtures the love of nature among the youth

We took children aged 7 to 12 from our TAJ program on a field trip to our Wata el Joz demonstration plot. After a thorough introduction to intercropping and the different varieties of apples, they planted medicinal plants and enjoyed apple picking contests.

BASATINE offers comprehensive support to farmers in Akkar & the Bekaa

Two matchmaking events link farmers to SMEs

Our technical team provides hands-on sessions in our demonstration plots

The team installs a greenhouse at the Technical and Vocational Education & Training (TVET) school in Rachaya

Funded by the Agence Française de Développement, BASATINE is a consortium led by CARE International Lebanon, in partnership with the Georges N. Frem Foundation, Berytech Foundation, Al Majmoua, Mercy Corps and the Lebanese Organization for Studies and Training.

CD4 creates new products for its cooperatives

Under its phase 2 activities, our team collaborated with food safety experts and chefs to help cooperatives develop attractive and innovative products. We conducted "consumer preference" tests to better position those products in the market.

CD4 is a U.S. Agency for International Development (USAID) funded program, implemented by Land O'Lakes Venture 37 in partnership with the Georges N. Frem Foundation.

TAJ Theatre Athénée Jounieh empowers talented young girls

LEAD ended its yearly activities with a memorable summer camp

LEAD is an educational program jointly implemented by the Georges N. Frem Foundation and An Nawras Cultural Center. Its aim is to empower young women, aged 16 to 18, to become leaders and responsible citizens

Full house for the Malla 3al2a Show!

We were proud to sponsor a play written by and featuring the talented young Rita Younes!

Boys and girls aged 7 to 16 join our acting workshops

STP Student Transport Program returns for the Academic year 2023-24

STP resumed its activities for the 20th consecutive year, offering transportation for students living in remote areas to their educational institutions.
